U.S. DISTRICT COURT  
NORTHERN DISTRICT OF INDIANA

DEAR Judge DeGullee  
Here is my prayer;

There isn't longing in my life  
It's not a prayer for me;  
In the deep watches of the night  
I pray, not selfishly.  
I little six lives to you, O God,  
Stephanie, Abi, Alex, Alexis, Ashton  
& Hayden  
Six hearts I know you love,  
I cannot help them now without  
a bond, below.  
Please God Bless them from ABOVE

God you see their need & I cannot  
You hear their prayers, I know.  
You feel their tears upon your cheek  
Please hold them as I will always,  
No man can love them as I do,  
No heart could miss them so.  
Only you God can lift their heads  
And hold them while I am away.

Give them strength when they are <sup>weak</sup>  
And peace in a place of fear,  
Give them eyes of faith that watch  
As Miracles appear.

Hold them close in Your Embrace,  
The way I know I would.  
Hold them tight in Your Embrace,  
The way a Father should,  
Be their fortress from the storms

cont.

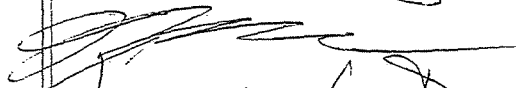

A place where they can hide.  
A father strong whom they trust.  
In you they can have pride.

Although I cannot touch a face,  
Or hold my loved ones near,  
Or see them in the morning light,  
Or wipe away their tears,  
Or talk to them about their day,  
Or pray with them at night,  
I know that you will be with them,  
You will be their guiding light.

I give them to you to watch,  
one by one;  
My wife and 5 dear stars,  
Steph, AB, Alec, Alexis, Ashton, Ayden.  
Please keep them close and love  
them strong!  
I love them.

Judge, I will not fail you  
Please

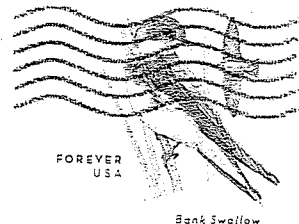

Respectfully,

  
James Ledonne
